7. Q: How can I enroll?

The fitness center will verify your enrollment and ask you to complete their standard membership agreement. You’ll receive the fitness center’s standard membership card or key tag. Now you’re all set to start working out. Just use the fitness center’s membership card or key tag every time you check in at your fitness center for a workout.

10. Q: Do I get an Active&Fit Direct fitness card?

There is an Active&Fit Direct “Program and Website Terms and Conditions” that applies to all participating members.

14. Q: How do I cancel?

A: You can cancel your enrollment on the Active&Fit Direct website after the 3-month enrollment period. You should refer to the “Program and Website Terms and Conditions” for more information.

15. Q: Do I have to be a certain age to enroll?

A: Yes, you must be 18 or older to enroll in the program.

PAYMENT

16. Q: What will I be charged when I enroll?

A: When you enroll, you will pay a \$25 enrollment fee, and the current month’s fee (\$25), and you’ll prepay the second month’s fee (\$25) for a total of \$75, plus applicable taxes. Going forward, your credit card on file will be charged \$25 plus applicable taxes on the same date each month, which will prepay the next month’s fee. You can access your invoices in your Active&Fit Direct online account.

17. Q: When are my monthly payments charged?

A: Your recurring monthly fee of \$25, plus applicable taxes is charged on the same date each month as your enrollment date, starting the month after you enroll. Each recurring monthly fee is a prepayment for the next month. If you enroll on the 12th of the month, your payment date each month will be on the 12th of the month. Please note, if you enroll on the last day of the month, for example the 31st, your payment date will be the last day of each month.

18. Q: How do I read my invoice?

A: On your initial invoice, you will see 2 descriptions:

“Setup fee: Active&Fit Direct Fee.” This line item shows that you have paid \$50, which includes your \$25 enrollment fee and your \$25 monthly membership fee for the current month, plus applicable taxes.

“Active&Fit Direct Fee.” Future invoices will show one description: “Active&Fit Direct Fee.” This is your prepayment for the next month’s \$25 membership fee, plus applicable taxes, which is charged on the same day as your initial enrollment date.

Let’s see an example:

- You join the program on September 12th. You would see an invoice charging you \$75 plus applicable taxes.
- \$25 covers the enrollment fee (included in “Setup fee”).
- \$25 covers the current month’s membership (September 12th – 30th, included in “Setup fee”).
- \$25 covers the following month’s membership fee (October 1st – 31st).
- Your original enrollment date (12th) is your payment date, when you will be charged for each month’s membership going forward. (In this case, on October 12th, you would prepay for November 1st – 30th).

19. Q: Do I ever have to pay a fitness center directly for anything?

A: Under your Active&Fit Direct membership, you are eligible for a standard membership at any of our 10,000+ participating fitness centers nationwide. You pay your Active&Fit Direct enrollment and membership fees initially and then monthly to the Active&Fit Direct program; you will not pay anything to the fitness center to enroll and to remain eligible for the standard fitness center membership during the term of your participation with the Active&Fit Direct program. However, if you decide to upgrade your standard fitness center membership, then you would pay the additional upgrade fees directly to the fitness center. Any non-standard fitness center services that typically require an additional fee are not included in the Active&Fit Direct monthly membership fee of \$25.

20. Q: I’ve received a promo code. How do I use it?

A: On the Active&Fit Direct website, confirm your favorite fitness center is in the network and click “Enroll Now.” After you create an account and agree to the terms, you’ll be directed to the payment screen. Enter your promo code in the designated box and click Apply. Please note: Promo codes are case-sensitive and must be entered exactly as provided.
