An online library of medical and health care practice books, **Access Medicine**, is available to all Oregon-licensed health professionals who register with the OHSU Library. **Access Medicine** provides online versions of the Lange Current Diagnosis and Treatment series, *Harrison's Principles of Internal Medicine*, *Goodman & Gilman's Pharmacological Basis of Therapeutics*, and several health administration books.

Apply online for an OHSU Library barcode in order to use Access Medicine at: <https://www.ohsu.edu/library/barcode-application>

At OHSU Library

If you visit the OHSU Library during public access hours (Monday-Friday, 8AM to 6PM), you will be able to check out library books and scan or download journal articles free of charge.

From our computer stations you can access nearly all of the resources available at OHSU Library, including thousands of journals and key databases such as CINAHL and ClinicalKey for Nursing, Cochrane Library, OVID MEDLINE, Pediatric Care Online, PsycINFO and Scopus.

To participate in the conversation about resources chosen for this program, please contact Kristine Alpi (alpi@ohsu.edu).
