ALL MANDATORY STAFF ARE PRE-REGISTERED ACCORDING TO NRP EXPIRATION MONTH

This course, based on American Heart Association and American Academy of Pediatrics standards, is intended for persons whose job includes resuscitation of, or assisting with resuscitation of, a newborn infant in the hospital settings where newborn care is typically provided, e.g., delivery room, newborn nursery, or neonatal intensive care unit.

STUDY MATERIALS: Pick up the book and Healthstream instructions from Hospital Education or Hospital Administration. There is a \$35.00 fee for the online course paid for by the employee. Book must be returned upon completion of skills testing.

- **IMPORTANT!** The Healthstream portion cannot be completed more than 30 days prior to the live event skills session at AHRO
- **IMPORTANT!** Registration for the live event through Healthstream must be completed 5 days prior to AHRO live event skills session date
- **PLEASE** follow the instructions you receive with your NRP book

The website for taking the NRP Online exam is <http://www.healthstream.com/hlc/aap>

If you have any issues completing the online exam you must contact Healthstream

Hospital Education is unable to assist with this process.

Your Healthstream customer service number is

800.531.0574

NRP ONLINE EXAM: All learners are required to take the entire exam. You have unlimited attempts to pass each section of the exam and will see the questions you missed. Online Exam Completion Certificate must be brought to Live Event Skills Session.

NRP ESIM CASES: The ESIM cases must be completed in order to register for the live event, however, they are not graded.

Dress Code: ALL STAFF – attendees and instructors – are expected to wear scrubs and present AHRO employee badge
