

Since 1913, White Memorial has been dedicated to whole person healthcare: keeping our patients healthy physically, mentally and spiritually. And we address these needs not just within our walls, but throughout our community too. Because healing is about much more than medicine—it's about health, wholeness and hope.

White Memorial Charitable Foundation

The White Memorial Charitable Foundation supports the hospital's programs and services through fundraising activities. To date, generous donors have provided over \$90 million to benefit our patients and community.

Awards & Recognition

Mission

Living God's love by inspiring health, wholeness and hope.

Vision

We will transform the health experience of our communities by improving health, enhancing interactions and making care more accessible.

Adventist Health

White Memorial is part of Adventist Health, a faith-based, not-for-profit healthcare system with 20 hospitals and more than 275 clinics serving communities in California, Hawaii, Oregon and Washington.

Together, inspiring health,
wholeness & hope
